and the Preschool

The Link Between Preschool Options and the IEP

WORKSHOP SUMMARY

Participants will be able to :

- ⇒ Write a present level of educational performance using information from all team members that includes a baseline for functional goals.
- ⇒ Write functional goals based on a child's needs.
- ⇒ Write a plan for services that is based on child's needs, addresses child's goals and considers Least Restrictive Environment issues (general education curriculum and general education environments).
- ⇒ Write a team plan for implementation in their district.
- ⇒ Define the important role of general educator (child care provider, Head Start or Preschool Staff, 4K or Kindergarten teacher) on the IEP team for preschool children.

PRESENTERS:

Mary Joslin, ECSE Program Support, CESA #10

Cheri Sylla, Parent Liaison Coordinator, CESA #1

Sue Albert, Retired Program Support Teacher, Madison Metropolitan School District

Arlene Wright, Co-author of *Guide to Writing IEP's*, Independent Special Education Consultant.

Cindy Prendergast, ECSE, Program Support, CESA #1

AUDIENCE: Birth-3, 4K Teachers, ECSE Teachers, School Psychologists, OT/PT, Speech/Language Pathologists, Child Care and Head Start Teachers, Elementary Principals, Directors of Special Education/Pupil Services. **Teams are highly encouraged.** It is recommended that teams include a child care director partner
